Grant Amount (USD)	$ 2.75 million
Project Cost (USD)	$ 2.75 million

Project Description

According to the bank document, the project aims to reduce the income and health-related vulnerabilities of older persons, the project development objective is to increase the participation of older persons in income-generating activities and their use of community-level health and social care services in the project communities.

The project key results are expected to be:

1. Number of older persons in project communities that are participants in the ISHC’s revolving fund activity

2. Number of older persons in project communities that receive (i) at least one health checkup annually and (ii) monthly basic health monitoring (organized by ISHC).

3. Number of older people in the project communities receiving regular (at least twice per week) community-based care services from the ISHC and/or the local commune health stations.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
