|-------------------------|--------------------------------------|
| Financial Institutions  | World Bank (WB)                      |
| Status                  | Proposed                             |
| Bank Risk Rating        | U                                    |
| Voting Date             | 2020-03-26                           |
| Borrower                | Ministry of the Economy and Finances |
| Sectors                 | Infrastructure                       |
| Investment Amount (USD) | \$ 60.00 million                     |
| Project Cost (USD)      | \$ 60.00 million                     |

## **Project Description**

The proposed project aims to improve basic infrastructure and livelihood opportunities in rural areas in the south of Madagascar though a community-led approach for local development. The project will have a primary focus on youth and women inclusion for improved economic opportunities, with a longer-term vision of supporting local government in fostering meaningful and sustained citizen engagement in the south.

#### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
