Sectors	Agriculture and Forestry
Investment Type(s)	Loan
Investment Amount (USD)	\$ 300.00 million
Loan Amount (USD)	\$ 300.00 million
Project Cost (USD)	\$ 300.00 million

Project Description

According to the bank document, "the proposed project aims to develop and upgrade infrastructure, enhancing management capacity and value of products, developing sustainable fisheries. Specific objectives include

- i) to develop infrastructure, and improve the capture fisheries efficiency;
- ii) to develop infrastructure for hatcheries, culturing key species (i.e shrimp, Tra/Catfish, and so on), to improve productivity and quality and environmental protection;
- iii) to strengthen the capture fishery and aquaculture management capacity;
- iv) to apply and transfer advanced technologies for capture fisheries and aquaculture to enhance productivities, efficiency and climate change resilience; and
- v) to develop linkages and connections, and organize production chain, from capture/farming, processing, marketing through band development of key export products.

The project will be implemented in 9 provinces including Thanh Hoa, Quang Tri, Binh Dinh, Khanh Hoa, Ninh Thuan, Binh Thuan, Soc Trang, Bac Lieu, Ca Mau and Kien Giang. The MARD proposal also includes investments to be centrally managed by the MARD. The Project will be implemented during 2021-2025".

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
