#### **Project Description**

The Project Development Objective (PDO) is to improve access to basic social services, expand economic opportunities, and enhance environmental management for communities hosting refugees in the target areas of Djibouti, Ethiopia and Uganda. The proposed regional project will embed the essential features of ensuring citizen participation and engagement in identifying and prioritizing developmental needs, including socio-economic infrastructure and livelihood opportunities to improve selfreliance of refugee hosting communities; improving social cohesion between refugees and refugee hosting communities; increasing citizen voice and role in development decision making; and eliciting greater demand for social accountability. The operational approach will be Community Driven Development (CDD) and will involve: (i) building and capacitating grassroots institutions; (ii) ensuring the voice of all communities is heard in decision making; (iii) strengthening decentralized government administrative functions; and (iv) investing in public service delivery and social mobilization to enhance social cohesion among beneficiary communities.
