Project Description

According to project documents, the overall development objective of this project is to-

(i) increase the availability and use of gender-disaggregated statistics, and
(ii) build the General Statistics Office capacity to implement a time use survey in its own survey program in future years.

The project will have three components, namely:
(i) Survey preparation and data collection,
(ii) Data analysis and dissemination and
(iii) Project management.

The data collected would be valuable for policy and planning in key areas including human capital development, economic productivity, health, city planning, transport and infrastructure.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
