Status	Proposed
Bank Risk Rating	B
Voting Date	2020-01-10
Sectors	Communications
Investment Type(s)	Loan
Investment Amount (USD)	$ 11.60 million
Project Cost (USD)	$ 11.60 million

Project Description

According to the bank's document, this project aims to increase access to regional broadband networks and advance the development of an Information and Communications Technology-enabled (ICT) services industry in the Caribbean Region. This will entail the following: (i) financing construction, testing and operation of the broadband network as well as its supervision during the first year of its completion; (ii) promoting ICT-led innovation; and (iii) further support for the implementation of the project as well as monitoring and evaluation assistance.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
