Project Cost (USD)	\$ 210.00 million

## Early Warning System Odisha State Capability and Resilient Growth

WB-P172172

#### **Project Description**

According to bank documents, the proposed project's objective is "to improve the capability of Odisha to protect its citizens and build resilience to natural disasters and climate shocks. This includes building the state government's capabilities in the following key reform areas: (i) strengtheningthe design and delivery of the state's social protection architecture (ii) improving the statisticial system to support the generation and the use of quality statistics in governance and(iii) building resillience against natural disasters and climate shocks. These policy reforms are cataylitic in ensuring the state charts a resillient growth path which maximises long-term human capital formation and minimizes welfare losses due to shocks."

Implementing Agencies Government of Odisha Ashok K.K. Meena, Principal Secretary finsec.or@nic.in

#### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at:

http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
