Project Cost (USD)	$ 7.00 million

Project Description

According to the Bank's document, this project aims to improve civil society organisations' (CSO) capacity to support reconstruction and resilience activities and contribute to service delivery. This will entail: (1) small grants for civil society organisations that will work with communities to generate project propsals to implement activities focused on reconstruction, resilience and service delivery; (2) support for the capacity building and technical assistance activities mainly for the civil society organisations' partners but also for the stakeholders involved in the project; and (3) support for activities related to project management and coordination.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
