Countries	Brazil
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	U
Voting Date	2020-05-28
Borrower	State of Amazonas
Sectors	Agriculture and Forestry, Law and Government
Investment Type(s)	Loan
Investment Amount (USD)	$ 250.00 million
Project Cost (USD)	$ 250.00 million

Project Description

According to the Bank's website, this project finances support for the State of Amazonas to strengthen its fiscal sustainability and enhance its institutional capacity for forest conservation. The funding will be used to address the State's immediate funding needs, in particular the cost of transitioning to a funded pension system for the State's civil service in the short term.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
