## Project Description

According to the bank document, "the proposed First Mekong Development Policy Operation (DPO) initiates a new programmatic series of three operations. The main purpose of the proposed series of DPOs is to strengthen economic transformation and climate resilience in the Mekong Delta region by

(i) effective regional coordination with stronger institutions;

(ii) spatially integrated policy reforms in priority sectors; and

(iii) sustainable financing for efficient and green investment."

**ACCOUNTABILITY MECHANISM OF WORLD BANK**

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
