Project Description

According to bank documents, the project objective is to sustain enrollment in public basic education in Sudan during the transition school year.

The project has two components:

1. School Grants Program (US$11.58 million). This component will support provision of school grants to improve learnining environments and school planning. The main objective of the grants is to support student enrollment and retention in public schools.
2. Program coordination and management (US$0.3 million). This component will support the Federal MoE in overall program coordination, monitoring and evaluation. The Program. Coordination unit will cover functions such as planning, procurement, financial management, environmental and social safeguards and monitoring and evaluation. Technical experts will be mobilized as necessary. The Program Coordination unit will monitor the progress by collecting and analyzing school-level data under the the Annual School Census.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: https://www.inspectionpanel.org.
