### Project Description

According to the Bank's website, the project provides funding to the Republic of Turkey to finance development of urban plans and infrastructure to promote integrated disaster and climate resilience in Tekirdag, Kahramanmaras and Manis. The project envisages strengthening of the policies and methodologies for urban resilience supporting private households to enhance seismic resilience of housing located in urban transformation areas, upgrading of critical infrastructure such as hospitals, kindergartens, emergency services, municipal buildings, drainage systems and canals, etc.

## Contact Information

### IMPLEMENTING AGENCY

Ministry of Environment and Urbanization

Vedad Gurgen, Director, [vedad.gurgen@csb.gov.tr](mailto:vedad.gurgen@csb.gov.tr)

### ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>.

### ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>.
