Project Description

According to the bank website, the program development objective for the Series of Projects (of which the AIRBM will be the first) is to strengthen integrated, climate-resilient management and development of the Ayeyarwady River Basin and national water resources. The project development objective of the AIRBM is to contribute to the development of integrated river basin management on the Ayeyarwady River, and, in the event of an Eligible Crisis or Emergency, to provide an immediate and effective response to said Eligible Crisis or Emergency.

Investment Description

- World Bank (WB)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
