Project Description

According to bank documents, the project objective is to support the Federal Government of Somalia and Eligible Federal Member States to strengthen resource management systems, the inter-governmental fiscal framework, and service delivery systems in health and education.

The project supports Somalia’s efforts toward a more resilient, inclusive and stable socio-economic environment. The project’s benchmarks/Performance Based Conditions will incentivize the Federal Government of Somalia and the Federal Member States to sustain momentum of their reforms to reach the Heavily-Indebted Poor Country Completion Point. The project will help strengthen inter-governmental fiscal relations, and build 5 state institutions, in support of the delivery of basic services in health and education. It will also support building a real-time feedback loop from the citizens who are intended to benefit from the investments.
