Project Description

According to the bank document, "the proposed project development objective is to strengthen selected national and provincial systems to pilot a multisectoral approach for reducing the risk of zoonotic and other emerging health threats. There are project components as:

1/ Improving risk-based surveillance systems for zoonotic and other emerging health threats,

2/ Prevention and control programs targeting priority zoonotic and other emerging health threats, and

3/ Institutional strengthening and human resources development for One Health Project management and M&E".

Investment Description
