Project Description

This project is an additional financing to the P131394. According to the bank's documents, "The key project development objective is to improve equitable access, retention and completion in quality primary education for out-of-school children in selected under-served areas."

"The proposed AF does not require changes in the PDO, the PDO indicators, and the Results Framework of the project. No changes will take place in the implementation arrangements or in the M&E mechanism. The AF will only provide additional financing to fill the funding gap caused by the currency exchange rate changes. If adjusted, the project will be able to complete the following activities that are already included in the original project design."

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
