### Project Description

According to bank documents, the proposed World Bank funding will support Ghana's emergency response to Covid-19 and "strengthen national systems for public health preparedness."

Project components are:

1) Emergency Covid-19 Respose

Case detection, confirmation, contact tracing, recording and reporting

Containment, isolation and treatment

Social and financial support to households

Health system strengthening

2) Strengthening multi-sector, national institutions and platforms for policy development and coordination of prevention and preparedness using One Health approach

3) Community engagement and risk communication

4) Implementation Management, Monitoring and Evaluation and Project Management

The bank has classified this project as having a Substantial environmental risk category and a Substantial social risk category.

### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
