### Project Description

According to bank documents, this World Bank funding will support the prevention, detection and support of immediate response to the threat posed by the COVID-19 pandemic. It will strengthen the Palestinian health systems for public health preparedness.

Project components are:

- 1) Emergency Covid-19 Response
- 2) Strengthening overall healthcare services and clinical capacity to respond to Covid-19
- 3) Project implementation and monitoring

The World Bank has classified this project as having a Substantial environmental and social risk.

#### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
