Project Description

According to bank documents, World Bank funding will be used to "prevent, detect and respond to the threat posed by Covid-19 and strengthen national systems for public health preparedness."

The project has four components to strengthen the Ministry of Health's capacity to respond to the Covid-19 outreak and future pandemics:

1) Emergency Covid-19 response

2) Strengthening overall healthcare services and clinical capacity for emergency

3) Implementation management and monitoring and evaluation

4) Contingent emergency response

The World Bank has classified the project as having a Substantial environmental and social risk category.

Investment Description

- World Bank (WB)

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
