Project Cost (USD)	$ 20.00 million

Project Description

According to bank documents, this project "will be a standalone operation for Cambodia to address critical country-level needs for preparedness and response for COVID-19." The project components and activities under each component are designed to support containment and mitigation activities which have been identified as part of Cambodia's COVID-19 National Action Plan. The project will be implemented by the Ministry of Health.

Project components are:

1) Case detection and management

2) Medical supplies and equipment

3) Preparedness, capacity building and training

4) Project implementation and monitoring

The World Bank has given this project a Substantial risk rating for environmental and social risks.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx.
