Investment Amount (USD)	$ 7.50 million
Project Cost (USD)	$ 7.50 million

Project Description

According to bank documents, the project objective is to prevent, detect and respond to the threat posed by COVID-19 to the Kingdom of Lesotho.

The project has two components:

1. Emergency COVID-19 Response. This component comprises of three focus areas: (i) COVID-19 case detection, confirmation, contact tracing, recording and reporting; (ii) Containment, isolation and treatment through enhanced clinical care capacity; and (iii) Community engagement, prevention and risk communication.
2. Project Implementation and Monitoring & Evaluation. This component will support program coordination, management and monitoring, operational support and logistics, and project management. This will include support for the COVID-19 Incident Management System Coordination Structure; operational reviews to assess implementation progress and adjust operational plans; and provide logistical support. To this end, the project will support technical assistance, rapid surveys as needed, and operating costs.

The World Bank has classified this project as having Substantial environmental and social risks.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: https://www.inspectionpanel.org.
