Project Description

According to bank documents, the Project objective is to help restore and promote job creation and strengthen smallholder producer participation in the agri-food sector and rural entrepreneurship.

The project has three components:

1. **Technical assistance to POs and SMEs.** The implementation of the proposed matching grant instrument will require technical assistance to POs and SMEs to prepare and select technically sound and financially and commercially viable investment projects.
2. **Grants for agri-food and rural job creation.** TRACE Matching Grant will provide non-reimbursable financial contributions (grants) to investment projects submitted by POs and SMEs engaged in agri-business activities ranging from production, processing to marketing with the objective to help business growth and job creation.
3. **Project management and coordination.** The Project will provide resources to the implementing agency (see information below) to properly deliver technical assistance and operate the matching grant, while meeting the Bank's fiduciary and safeguards requirements

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: https://www.inspectionpanel.org.
