## **Project Description**

According to bank documents, the project aims to (i) strengthen the basic school system's institutional capacity to respond to, and recover from, the COVID-19 crisis; and (ii) build resilience to face future crises from pre-primary to secondary levels. It has the following project components:

- 1: Engaging in Systemic Response
- 2: Supporting Education Systems Recovery
- 3: Building System Resilience
- 4: Project Management, Results Monitoring and Communication

The World Bank has classified this project as having Moderate environmental and social risks.
