Project Description

According to WB website, the parent project aims to improve the performance of the Borrower's social assistance and social services system for low-income families. The additional financing aims to improve the performance of Ukraine's social assistance and social services system for low-income households and provide income support to households affected by the economic impact of the COVID-19 pandemic.

- Component 1. Improving social assistance provision to the most vulnerable
- Component 2. Supportive Investments for Institutional Strengthening for Administration of Social Assistance and Social Services
- Component 3 Supportive Investments for Increasing Provision of Family-based Care to support orphans, children deprived of parental care, disabled children and vulnerable families in selected Oblasts
