Countries	Haiti
Financial Institutions	World Bank (WB)
Status	Approved
Bank Risk Rating	U
Voting Date	2020-09-30
Borrower	Government of Haiti
Sectors	Education and Health, Energy, Hydropower
Investment Type(s)	Grant
Investment Amount (USD)	$ 4.00 million
Grant Amount (USD)	$ 4.00 million
Project Cost (USD)	$ 6.90 million

Project Description

"The purpose of the AF is to scale up renewable energy investments in Haiti, with a particular focus on helping the Government of Haiti (GoH) respond to the COVID-19 crisis, notably by expanding the provision of clean and reliable electricity for prioritized healthcare and water facilities, and supporting economic recovery and building back better with clean, reliable, affordable and locally available renewable energy sources. The AF will scale-up investments through (i) solar PV+battery energy storage installations for at least four additional hospitals/ healthcare facilities, prioritized for COVID-19 response; and associated water systems, and (ii) completion of rehabilitation of the Drouet mini hydroelectric plant, which will provide clean and reliable electricity to nearby communities and priority loads in the Artibonite regional grid".

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
