Malawi Growth and Resilience Development Policy Financing

Quick Facts

Countries	Malawi
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	U
Borrower	Government of Malawi
Sectors	Law and Government
Investment Amount (USD)	\$ 80.00 million
Project Cost (USD)	\$ 80.00 million

Project Description

The objective of the development policy operation series is to help Malawi recover from the COVID-19 pandemic and to improve the environment for private sector growth and job creation in the medium term. This will be supported by stronger macro-economic policies and public financial management, which are critical to strengthen resilience and to allow for increased public and private investment .

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
