iRAP IE the UNRSF Ten Step Plan for Safer Road Infrastructure in improving the safety performance of WB projects

iRAP IE the UNRSF Ten Step Plan for Safer Road Infrastructure in improving the safety performance of WB projects

Quick Facts

Countries	Tanzania
Financial Institutions	World Bank (WB)
Status	Pipeline
Bank Risk Rating	U
Sectors	Transport
Project Cost (USD)	$ 0.30 million

Project Description

According to the World Bank webpage: "The overall project objective is to reduce road traffic deaths and serious injuries through improvements in the knowledge of the pr oject stakeholders and the standard of road safety engineering."

The project documents state that "this is a small grant funded activity supporting road safety in LIC context in Africa..."

This project will provide a comprehensive evaluation of the impact of the first global deployment of the UN Road Safety Fund supported Ten Step Plan for Safer Road Infrastructure in Tanzania with a focus on active World Bank projects.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
