### **Project Description**

The program's development objective is to support the Government of Colombia's multiyear efforts to sustain access to critical infrastructure services for firms and households following the COVID-19 crisis, while establishing the policy foundations for recovery through sustainable and resilient infrastructure. The series supports critical policy and institutional reforms within three pillars with the following development objectives: (1) sustain access to critical infrastructure to secure the economy from COVID-19; (2) support resilient and sustainable Infrastructure for economic recovery; and (3) support sound fiscal management and long-term infrastructure finance for economic recovery.

### Investment Description

- World Bank (WB)

The investment type was not available at the moment.

### Contact Information

#### ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

#### ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
