Motorcycle Safety by Design in African Countries: Effects of Built infrastructure on the Frequency of Motorcycle Collisions

Motorcycle Safety by Design in African Countries: Effects of Built infrastructure on the Frequency of Motorcycle Collisions

Quick Facts

Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	U
Borrower	World Resources Institute (WRI)
Sectors	Infrastructure
Investment Amount (USD)	\$ 0.20 million
Project Cost (USD)	\$ 0.20 million

Early Warning System Motorcycle Safety by Design in African Countries: Effects of Built infrastructure on the Frequency of Motorovala Collisions

Project Description

The overall objective is to provide evidence-based recommendations for improving roadway infrastructure design and operations in cit ies in LMICs in Sub-Saharan Africa to better address safety of motorcycles.

Motorcycle Safety by Design in African Countries: Effects of Built infrastructure on the Frequency of Motorcycle Collisions

Investment Description

• World Bank (WB)

Early Warning System Motorcycle Safety by Design in African Countries: Effects of Built infrastructure on the Frequency of Motorovala Callisians

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-toinformation/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-tofile-complaint
