## Project Description

According to the bank's documents, the proposed project "will support the GoI to implement this ambitious reform agenda to transform the delivery and quality of essential health services as well as underlying accountability mechanisms needed to enable such reforms. The proposed Program will tackle reforms related to ensuring comprehensive access to health services, prioritizing quality of care and revamping health financing and accountability, specifically addressing the following challenges: (i) weak primary health care; (ii) neglected urban health; (iii) relatively weaker focus on process quality and patient outcomes; (iv) HRH challenges; (v) low levels of funds utilization across states; and (vi) strong focus on input-based planning and budgeting. This will be reflected bythree key result areasas outlined below."

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
