Integrated Urban Services Emergency Project II

### Quick Facts

Countries	Yemen
Financial Institutions	World Bank (WB)
Status	Active
Bank Risk Rating	A
Borrower	United Nations Office for Project Services
Sectors	Energy, Law and Government, Water and Sanitation
Investment Type(s)	Grant
Investment Amount (USD)	\$ 50.00 million
Project Cost (USD)	\$ 50.00 million

## Project Description

According to bank documents, the project objective is to restore access to critical urban services and strengthen resilience to shocks in selected cities within the Republic of Yemen.

The project has three components;

1. Component 1: Service Restoration (US\$40 million). This component will finance the preparation and implementation of infrastructure investments. To support the COVID-19 response, attention will be given to WASH and restoring power to hospitals, and laborintensive works.
  - i. Sub-Component 1.1: Tertiary Municipal Services and Solid Waste Management. Supporting the preparation and implementation of investments in neighborhood-level municipal infrastructure in Yemeni cities to address unmet and urgent needs, inter alia, (i) flood management interventions, (ii) solid waste management initiatives, and (iii) rehabilitation of neighborhood sanitation infrastructure, including complementary targeted infrastructure investments.
  - ii. Sub-Component 1.2: Urban Water and Sanitation. Supporting the response to the COVID-19 pandemic and building gender-related resilience through improvements to access to clean water and sanitation, inter alia, (i) replacement of critical assets such as pumps, generators, water treatments units, related facilities and spare parts; (ii) rehabilitation of pipes, water tanks, existing wells, and wastewater treatment plants; and (iii) service delivery maintenance support at the city level.
  - iii. Sub-Component 1.3: Urban Roads. Improving access and mobility within the target cities through the rehabilitation of selected intra-urban roads.
  - iv. Sub-Component 1.4: Energy for Critical Services. Carrying out the restoration of electricity supply to hospitals, clinics and other medical facilities in selected cities, including (i) rehabilitation of existing conventional (diesel) generation systems; (ii) installation of new off-grid generation using diesel, renewable energy, or diesel-solar photovoltaic (PV) hybrid technologies; (iii) restoration of fuel supply in critical service facilities; (iv) installation of solar PV and light-emitting diode (LED) streetlights; and (v) undertaking other energy efficiency improvements.
2. Component 2: Implementation Support and Capacity Development (US\$10 million)
  - i. Sub-Component 2.1: Project Implementation and Management Support
  - ii. Sub-Component 2.2: Enhanced Capacity Building
  - iii. Sub-Component 2.3: Third Party Monitoring. UNOPS will engage a Third-Party Monitoring (TPM) agent to undertake independent results verification of sub-projects and activities funded under the project.
3. Component 3: Contingent Emergency Response (US\$0). Providing immediate response to an Eligible Crisis of Emergency, as needed.

## Contact Information

*\*Contact information not provided at the time of disclosure\**

## ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

## ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
