Investment Amount (USD)	$ 300.00 million
Loan Amount (USD)	$ 300.00 million
Project Cost (USD)	$ 300.00 million

Project Description

Accordin to the Bank´s website, the the overall development objective of the proposed APL program supports the Government's Integrated Basin Cleanup whilesimultaneously improving sanitary conditions along the banks of La Plata River and providing a long-term and cost-effectivesolution for safe dispo sal of wastewater from the Buenos Aires Metropolitan Area (AySAs concession area). The two stage APL programthat contributes to this objective and the allocation of works and activities under each APL has been specifically designed toensure that APL-1 can be free- standing, with no stranded assets at the end of the first stage. The project (APL-1) development objectives contribute to the o verall program development objective by (i) improving seweragеservices in the M-R River Basin and other parts of the Province and Ci ty of Buenos Aires by expanding transport and treatmentcapacity; (ii) supporting a reduction of industrial discharges to the M-R Riv er, through the provision of industrial conversiongrants to small and medium enterprises; (iii) promoting improved decision-making f or environmentally-sustainable land use anddrainage planning, and piloting urban drainage and land use investments, in the M-R River Basin; and (iv) strengthening ACUMAR#sinstitutional framework for ongoing and sustainable clean-up of the M-R River Basin.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
