Project Description

According to bank documents, the tentative program objective is to mobilize and channel private investment towards high-performing SMEs and commercial infrastructure projects in Morocco, in support to a greener and more inclusive recovery.

As part of the recovery plan, the FMVI aims to catalyze private financings to provide equity/quasi equity to strategic segments and sectors of the Moroccan economy. Initial areas targeted by the authorities in the law establishing the FMVI are manufacturing, innovation and growth, SMEs, infrastructures, agriculture, and tourism.

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
