Project Description

According to bank documents, the project objecive is to support improve access to basic services and economic opportunities for internally displaced persons and host communities in targeted areas of Northern Mozambique.

The project has four components:

1. Component 1: Building social cohesion and resilience to conflict (US$ 9 million). This component will finance activities required to establish institutions and processes that promote stability, cohesion and peaceful cohabitation among different social groups and host communities while enhancing trust and confidence between society and State institutions and norms. The activities to be financed under this component will include, inter alia: (a) Psychosocial social support and community peace building; and (b) enhance State-society trust and confidence.
    i. Subcomponent 1.1. Supporting community-based organizations and leadership (US$5 million)
    ii. Subcomponent 1.2. Provision of physical and psychosocial supportive services to vulnerable households and individuals (US$4 million)
2. Component 2: Provision of livelihoods and economic opportunities for IDPs and hosting communities (US$ 28.8 million). This component will support, inter alia: (a) cash for work programs for youth and women; (b) provision of agriculture and fisheries inputs; (c) provision of kits for micro and small business development; and (d) training on entrepreneurship and business management.
    i. Subcomponent 2.1. Provision of livelihoods support (US$21.8 million)
    ii. Subcomponent 2.2. Supporting jobs creation and professional skills (US$7 million)
3. Component 3: Rehabilitation of public infrastructure US$55.2 million. This component will finance, inter alia: (a) the provision and rehabilitation of basic services; (b) the rehabilitation or construction of education and health infrastructure; and (c) the construction of community infrastructure and amenities in selected temporary and relocation sites and host communities.
    i. Subcomponent 3.1. Provision of basic services: water, sanitation and land demarcation (US$16.22 million)
    ii. Subcomponent 3.2. Rehabilitation or construction of education and health infrastructures (US$31.18 million)
    iii. Subcomponent 3.3. Rehabilitation or construction of community infrastructure and amenities (US$ 7.8 million)
4. Component 4: Project management and oversight: (US$ 7 million). This component will finance, inter alia,the strengthening of technical capacity of FNDS and local governments for project implementation, financial management, procurement, safeguards, reporting, and monitoring and evaluation.
    i. Subcomponent 4.1. Project Implementation, Monitoring and Evaluation – FNDS (US$7 million)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
