Project Description

According to bank documents, the project objective is to improve the institutional framework to finance disaster risk reduction activities and strengthen financial resilience to natural disasters for targeted populations in the Program Area. The current project objective indicators of the parent program remain relevant and will be retained; however, the second project objective indicator will be changed as part of a parallel restructuring to facilitate the counting of beneficiaries of structural subprojects compared to beneficiaries of non-structural subprojects.

PDO-1 The FCLN strategic orientation and governance structure are redesigned with a focus on disaster risk reduction

PDO-2 REVISED PDO-2.1: Number of direct beneficiaries of completed and eligible structural risk reduction subprojects

REVISED PDO-2.2: Number of direct and indirect beneficiaries of completed and eligible non-structural risk reduction subprojects

PDO-3 Minimum number of people in the Program Area insured for bodily injury against catastrophic events

PDO-4 Establishment and operationalization of the FSEC to protect the uninsured
