Investment Type(s)	Advisory Services
Project Cost (USD)	$ 10.00 million

Project Description

According to bank documents, the project objective is to support emergency environment control measures in Beirut City from impacts of the August 2020 explosion and support planning for longer term environmental restoration efforts.

The project has four components:

1. Component 1. Securing the Port and management of debris, asbestos-contaminated materials and hazardous waste generated due to PoB explosion (US$8 million)
    i. Sub-component 1.1. Securing the Port and implementing critical waste management interventions inside the Port. (US$4.5 million)
    ii. Sub-component 1.2. Safe management and disposal of mixed debris outside the Port of Beirut. (US$2 million)
    iii. Sub-component 1.3. Priority waste management interventions of hazardous waste resulting from the explosion outside the Port. (US$1.5 million)
2. Component 2. Priority actions contributing to policy and institutional work for greening Beirut's Reconstruction Agenda (US$1.5 million)
    i. Sub-component 2.1. Supporting a collaborative platform for stakeholders' engagement and implementing priority actions for greening Beirut's reconstruction agenda. (US$0.5 million)
    ii. Sub-component 2.2. Environmental monitoring and enforcement activities for critical hazardous materials (US$1 million)
3. Component 3. Management and technical assistance (US$0.5 million)
4. Component 4. Contingency Emergency Response Component (CERC)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
