Project Description

The development objective is to support a sustainable and equitable recovery from the COVID-19 pandemic toward a green and resilient economy. The operation has three pillars, including (i) Enable an equitable recovery toward multi-sectoral resilience against future shocks; (ii) Promote a greener and sustainable development; (iii) Enhance accountability and transparency in the public sector.

Investment Description

- World Bank (WB)

Contact Information

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
