WB-P176694

Additional Financing for Nepal Health Sector Management Reform Program for Results

Quick Facts

Countries	Nepal
Financial Institutions	World Bank (WB)
Status	Approved
Bank Risk Rating	U
Voting Date	2021-07-08
Borrower	Ministry of Finance, Nepal
Sectors	Education and Health
Investment Amount (USD)	$ 50.00 million
Project Cost (USD)	$ 761.06 million

Project Description

The objective of the proposed investment is to improve efficiency in the Federal-level public resource management systems of the health sector in Nepal. The Program for Results (PforR) financing through this project will support a subset of the Nepal Health Sector Strategy (NHSS 2015-2021) which outlines the Government of Nepal's (GoN) program towards achieving its goal of Universal Health Coverage (UHC).

Investment Description

- World Bank (WB)
