Investment Amount (USD)	$ 250.00 million
Loan Amount (USD)	$ 250.00 million
Project Cost (USD)	$ 393.75 million

Project Description

According to the World Bank, the development objective of the Plastic Waste Reduction Project (Shaanxi) for China is to reduce plastic pollution from municipal solid waste in selected under-served rural areas of Shaanxi Province, improve provincial plastic waste management, and draw lessons on plastic waste management relevant at the national level.

The project comprises of three components. The first component, institutional strengthening and capacity building consists of following sub-components: (i) development of integrated urban-rural waste service model; (ii) central and sub-national knowledge sharing on plastic waste management; and (iii) provincial and local institutional strengthening and capacity building.
The second component, municipal solid waste management improvement and agricultural plastic waste management pilot consists of following sub-components: (i) integrated urban-rural waste management; and (ii) agricultural plastic film waste management pilot.
The third component, project management, monitoring and evaluation will support the operation of project management and implementing agencies in Shaanxi province to ensure smooth project implementation and compliance with World Bank and domestic policies and procedures.

Early Warning System Project Analysis

According to the World Bank, the project E&S risks are 'High'.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
