### Yemen Social Protection Enhancement and COVID-19 Response AF

### **Project Description**

According to bank documents, the project objective is to provide cash transfers, temporary employment, and increased access to basic services and economic opportunities to food-insecure populations affected by COVID-19, the conflict and climaterelated shocks, as well as to strengthen the capacity of national institutions.

Proposed changes under the additional funding (AF). The following revisions will be introduced under the proposed AF and restructuring: (i) PDO and intermediate level indicators will be revised to increase associated targets; (ii) for simplification, Project components will be realigned and revised as follows: (a) Subcomponent 1.2 will be moved under Component 2 (as Subcomponent 2.1); (b) Component 1 (currently "Cash Transfers") will be renamed "Unconditional Cash Transfers" (c) Component 2 (currently "Labor Intensive Works and Economic Opportunities") will be renamed "Geo-focused support to reduce food insecurity and malnutrition"; (d) the allocation for Component 1 will be increased by US\$182 million; (e) the allocation for Component 2 will be increased by US\$100 million; (f) two new intermediate level indicators related to geographical bundling of interventions under Component 2 will be introduced to the Results Framework; (g) the allocation for Component 3 will be increased by US\$18 million; and (iii) the project's closing date will be extended by an additional two years, from December 30, 2022 to December 30, 2024, to reflect the extended implementation period, offset delays caused by the preparation and clearance of ESF instruments, and to align it with the closing date of the AF.
