Project Description

Accoriding to bank documents, the proposed project objectives are to provide climate resilient road access, employment and entrepreneurship opportunities to food insecure rural pupulation of Yemen.

The project will be implemented through 4 components:

- Component 1: Rural and Village Access Roads Improvement and Maintenance. Component 1.A: Rehabilitation of Lifeline Rural Access Roads. The component would finance the following: (i) rural access road upgrading (150 km) and spot improvement along selected road sections, (ii) construction of market stalls for potential roadside vendors and (iii) studies, designs, production of tender documents and independent supervision of the civil works.
 - i. Component 1.B: Employment-Intensive Road Maintenance. This component would support (i) creation/strengthening of microenterprises (ME), (ii) training MEs, and (iii) labor-intensive maintenance of rural and village access roads through MEs (about 60 km village access roads (VAR) and 150 km rural roads and), (iv) consultancy services for studies, preparation of training modules, designs, production of tender documents and independent supervision linked to the civil works.
- Component 2: Strengthening Management Capacity of Transport Sector Public Institutions. This component would finance: (i) strengthening project management capacities of the RMF and RAP, (ii) support for RAP to revive its Management Informant System (MIS), (iii) Support RMF to reactivate its Road Asset Management System (RAMS) and tools.
- 3. Component 3: Project Implementation and Monitoring Support, Studies and Preparatory Activities. This component would support project management, monitoring and evaluation (M&E) to ensure that the Project is successfully and efficiently implemented and various studies and analytical works that will inform and underpin future sector investments.
- 4. Component 4: Contingent Emergency Response (US\$0 million; to be capitalized in case of emergency). The objective of this component is to improve the country's response capacity in the event of a new emergency, following the procedures governed by paragraph 12 of the World Bank Policy on Investment Policy Financing (Rapid Response to Crises and Emergencies).

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-toinformation/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
