Sudan Irrigation Modernization and Agricultural Productivity Project

WB-P177091

Quick Facts

Countries	Sudan
Financial Institutions	World Bank (WB)
Status	Proposed
Bank Risk Rating	A
Voting Date	2022-03-31
Borrower	Republic of Sudan
Sectors	Agriculture and Forestry
Investment Type(s)	Grant
Investment Amount (USD)	$ 300.00 million
Loan Amount (USD)	$ 300.00 million
Project Cost (USD)	$ 300.00 million

Project Description

According to bank document, the project objective is to improve irrigation and drainage services and to improve agricultural support services in and around selected irrigation areas in Sudan.

The project has three components:

1. Component 1: Pathways for Building Robust Irrigated Agriculture Institutions ($30 million). This component aims to address key institutional, policy, regulatory and technical bottlenecks that hamper effective coordination, planning and implementation of the irrigated agriculture sub-sector that will support both MoIWR and MoA.
    i. Sub-component 1.1. Strengthening Sector Planning and Oversight ($7 million).
    ii. Sub-component 1.2: Institutional Capacity Strengthening and Capacity building ($10 million).
    iii. Sub-component 1.3: Project Management and Coordination ($13 million).
2. Component 2: Revitalization of Irrigated Agriculture (US $230 million)- This component aims to finance catalytic infrastructure investments in a comprehensive and participatory manner.
    i. Sub-component 2.1: Rehabilitation and Modernization of Medium Size Pump Irrigation Schemes (US $120 million)
    ii. Sub-component 2.2: Rehabilitation and Modernization of Spate Irrigation Schemes (US $60 million)
    iii. Sub-component 2.3: Improving Water Management for large Scale irrigation (US $50 million)
3. Component 3: Strengthening Agricultural Services ($40 million). This component includes two subcomponents, which will focus on improving agricultural knowledge and practices, on-farm water management and, farm mechanization, value addition and strengthening agriculture market service linkages.
    i. Sub-component 3.1 Enhancing farmer capacity in good agricultural practices ($ 15 million).
    ii. Sub-component 3.2: Improving Support Services for Agricultural value chains ($25 million)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
