Project Description

According to bank documents, the project objective is to strengthen Sudan's national statistical system to produce and disseminate official data and promote usage of statistics for evidence-based policy-making.

The project has four components:

1. Institutional Reform and Human Capacity Strengthening
   - National Strategy for the Development of Statistics (NSDS)
   - Statistics Legal and Institutional Framework
   - Statistics Advocacy
   - ICT and Statistical Infrastructure
   - Human Capacity Development
2. Data Production and Dissemination
   - Household based surveys. This include National Household Budget and Poverty Survey (including modules on labor force and IDPs), and rapid surveys to track living conditions more regularly.
   - Improve price data
   - Revise/upgrade National Accounts
   - Administrative data
   - Data Dissemination
   - Use new technologies for data collection
3. Population and Housing Census
4. Project Management and Monitoring and Evaluation

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
