Project Cost (USD)	$ 0.77 million

Project Description

According to the World Bank project webpage:

"The project’s specific development objective is to improve monitoring and evaluation, capacity, and use in supported developing countries in the Francophone Africa and MENA regions. In doing so, the project will seek to build partnerships with other ECD providers in these regions to generate synergies.This project aims to contribute to the higher-level development objective of the GEI MDTF, namely, to improve monitoring and evaluation frameworks, capacity, and use in supported developing countries for improved evidence-i nformed policymaking."

Investment Description

- World Bank (WB)

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
