Project Description

According to the World Bank project page:

"The project development objective is to ensure successful conduct of the International Comparison Program (ICP) activities in the Co mmonwealth of Independent States (CIS) region, and to further institute the ICP as a permanent element of the regional and national statistical program, as per the United Nations Statistical Commission (UNSC) recommendation. Furthermore, through the conduct of var ious activities, the project aims to enhance statistical capacity of the CIS National Statistical Offices (NSOs), especially in rela tion to economic statistics."

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
