### Project Description

The Program Development Objective (PDO) is to improve (1) the efficiency of land administration, (2) the regulatory framework for private investment in fiber optic infrastructure, (3) services provided by investment promotion agencies and public-private partnership units, and (4) the efficiency and transparency of government-to-business services in participating states.

The development objective of the State Action on Business Enabling Reforms (SABER) Program for Nigeria is to improve: (1) the efficiency of land administration, (2) the regulatory framework for private investment in fiber optic infrastructure, (3) services provided by investment promotion agencies and public-private partnership units, and (4) the efficiency and transparency of government-to-business services in participating states. The government program will cover the gamut of instruments that impact states' land administration, business enabling infrastructure, public-private partnership (PPP) and investment promotion frameworks, and business enabling regulatory environment. The program will focus on the following result areas (RA): (a) RA 1: improved land administration and land-based investment process; (b) RA2: improved regulatory framework for private investment in fiber optic infrastructure; (c) RA3: improved services provided by Investment Promotion Agency (IPAs) and PPP unit; (d) RA4: improved efficiency and transparency of government-to-business services.
