Project Description

According to the bank website, the objectives of this project are to: (i) foster de-monopolization and anticorruption institutions; (ii) strengthen land and credit markets; and (iii) bolster the social safety net.

Pillar 1 measures promote competition and facilitate much-needed investment in a key sector of the economy (inland waterways), and strengthen oversight of a key anticorruption agency NACP); pillar 2 measures support adoption of safeguard legislation needed to ensure well-functioning, transparent and inclusive agricultural land markets and access to finance by small farmers; Pillar 3 measures support increased predictability in pension benefits for the elderly, for whom pensions are a key source of income, and for whom vulnerability to the health and income impacts increased significantly with the COVID crisis.

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
