Investment Amount (USD)	$ 6.20 million

Project Description

The Project Information Document (PID) outlines the proposal for a loan to the Government of Belize (GoB) for the Belize COVID-19 Emergency Response Project (P177987). This Project is prepared under the terms and guidelines defined by the COVID-19 Strategic Preparedness and Response Program (SPRP) using the Multiphase Programmatic Approach (MPA), approved by the WBG's Board of Executive Directors on April 2, 2020, and the Additional Financing (AF) to the SPRP for vaccines approved on October 13, 2020. The primary objective of the project is to enable affordable and equitable access to COVID-19 vaccines and help ensure effective vaccine deployment through vaccination system strengthening.
According to the bank documents, the environmental and social risk rating is Substantial.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
