Project Description

According to the World Bank, the development objective of the Strengthening the National Statistical System Project for Lao People's Democratic Republic (PDR) is to improve the capacity of the Lao PDR statistical system (LSS) to produce and disseminate good quality statistics in a timely manner and to enhance use of key statistics, and in case of an eligible crisis or emergency, respond promptly and effectively to it. The project comprises of four components.

The first component, improving availability and quality of statistics objective is to improve the availability and quality of key statistics that meet international standards. It consists of following sub-components: (i) economic statistics; and (ii) social statistics.

The second component, enhancing use of statistic objective is to enhance the use of statistics produced by the LSS through data integration and dissemination. It consists of following sub-components: (i) data integration; (ii) data dissemination; and (iii) information and communication technology (ICT) infrastructure.

The third component, strengthening institutional capacity and project management consists of following sub-components: (i) strengthening institutional capacity; and (ii) project management.

The fourth component, contingent emergency response component (CERC) will allow rapid reallocation of credits proceeds to respond to unanticipated eligible crises or emergencies.

Early Warning System Project Analysis

The World Bank categorized the project risk as 'Low'.

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: https://www.worldbank.org/en/access-to-information/request-submission

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: https://www.inspectionpanel.org/how-to-file-complaint
