Project Description

According to bank documents, the parent operation objective will be expanded to include an additional focus on the city's adaptation and mitigation efforts to combat climate change. The additional funding would deepen the efforts under the financial capacity and social inclusion pillars of the additional funding while broadening the objective to include an additional focus on climate change. The revised objective would be: "to increase the investment capacity of the Municipality of Casablanca, improve the business environment in the city, strengthen the city's resilience to Climate change and enhance access to basic services in the Program Area".

ACCESS TO INFORMATION

To submit an information request for project information, you will have to create an account to access the Access to Information request form. You can learn more about this process at: <https://www.worldbank.org/en/access-to-information/request-submission>

ACCOUNTABILITY MECHANISM OF THE WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. Information on how to file a complaint and a complaint request form are available at: <https://www.inspectionpanel.org/how-to-file-complaint>
